Low-interest Loan Fund for Private Sector and Non-profit Firms

The Oklahoma Department of Commerce Oklahoma administers a 3%-interest Alternative Fuel Vehicle (AFV) Loan Program for private sector and non-profit firms and organizations operating three (3) or more vehicles for purposes of providing a non-governmental service. Primary alternative fuels include compressed natural gas (CNG), and liquid petroleum gas (LPG - propane), but other alternative fuels may be considered. The fund is available for vehicle conversions and for Original Equipment Manufacturer (OEM) alternative fuel vehicles.

Contact the Oklahoma Department of Commerce (405) 815-6552 for more information about Oklahoma's 3% interest alternative fuel loan fund.
